2.

Aluminium floor profiles

Bigger & Better, our range increases to include 22mm reducing ramps, a collection of flooring profiles in a "Black finish" in both screw fix and self adhesive. Bigfoot range for wider gaps with bigger height differences.

LED Lighting strips

Trojan launch a range of LED extrusions for interior design lighting such as under stairs, kitchen & furniture cabinets along with many other applications around the home and office.

Foiled MDF Skirting

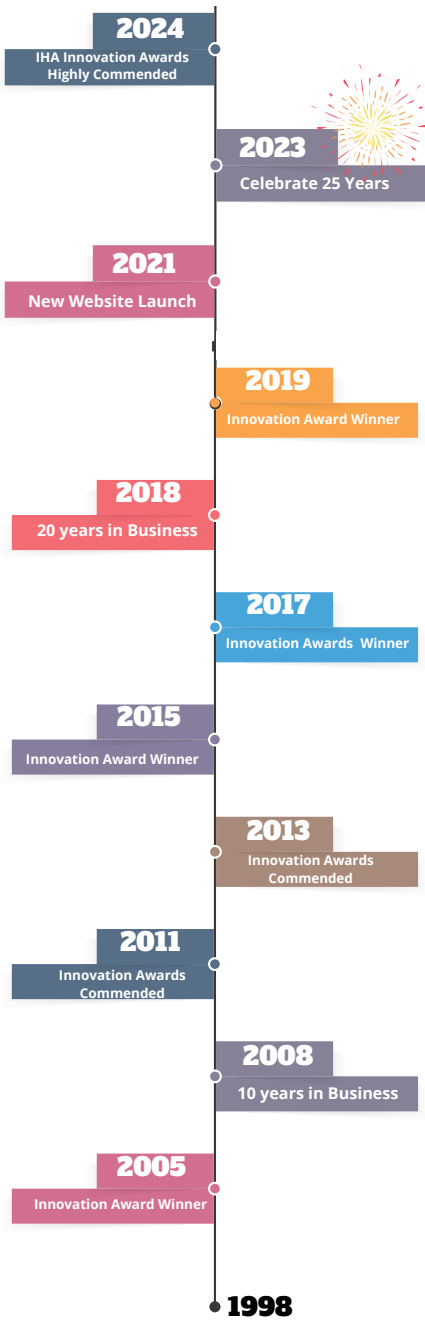

Quality foiled MDF skirting, architrave, flat beading & scotia mouldings along with the latest colours and contemporary designs.

How to deal with noise!

Extensive range of floor underlays to deal with noise, uneven subfloors & now insulation underlays such as our next generation XPS high tog rating underlay to help make your room cosy.

Innovation is at the heart of our business

Floor & Furniture repair

Trojan hardwax and softwax suitable for repairing damage to all furniture and flooring types.

Floor Maintenance

Trojan terry cloth mop system c/w aluminium telescopic handle, & machine washable mop head cover. Magi Spray cleaner, cleans, freshens & revives laminate & real wood floors.

Ecotrend Doormats

Ecotrend heavy duty doormats made from recycled car tyres & plastic bottles. Made in the EU using over 5 million car tyres annually to produce amazing eco friendly home & garden products.

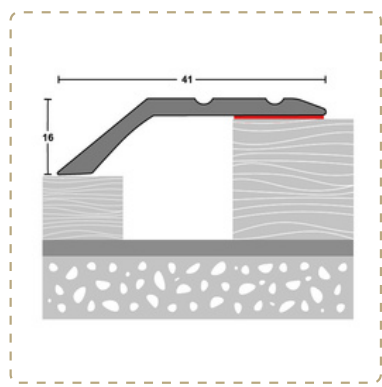

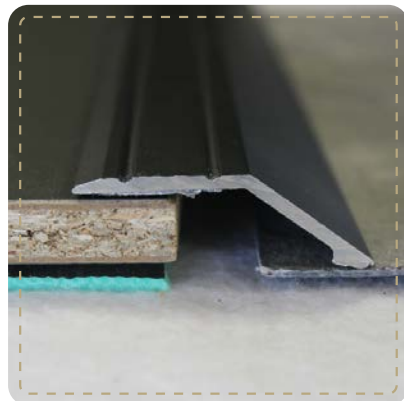

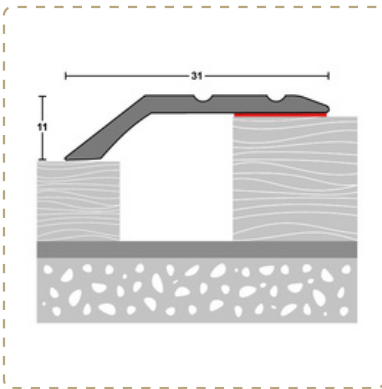

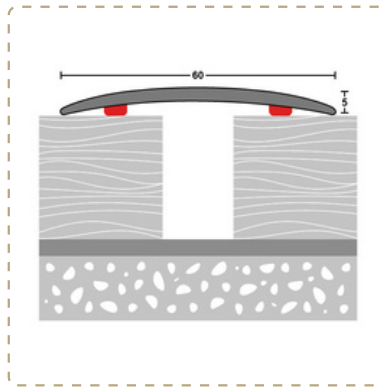

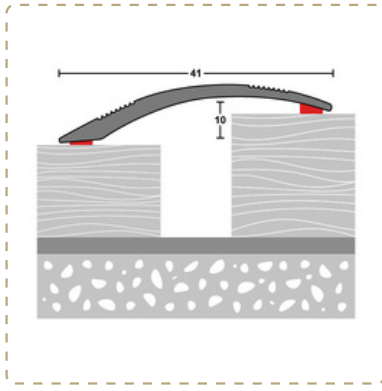

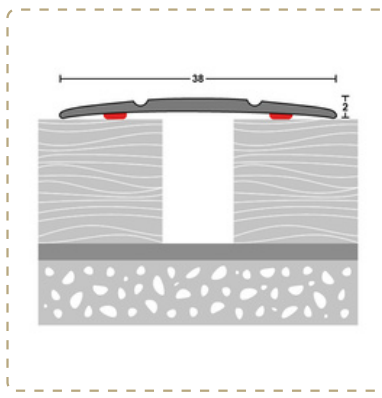

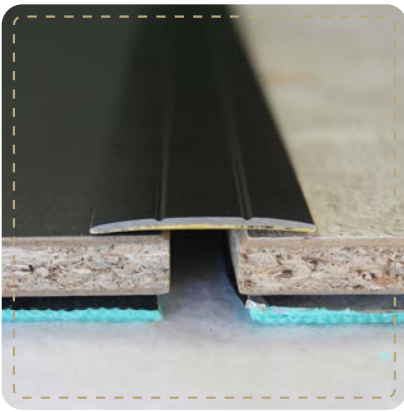

DIY Panels & Profiles

Aluminium, steel, plastic & checker plate, angles, tubes, panels & more. Suitable POS display units to suit.

Floor Fitting Kit

Code: TFK

Includes rebated tapping block, pull bar & wedges

Flooring Pull Bar

Code: FK-05

Heavy duty steel pull bar, suitable for many uses, such as flooring installation and also functions as a crow bar for carpet gripper removal etc.
Size: 46 x 12cm

Tapping Block

Code: TB30

Trojan Tapping Block, comes with a soft grip handle and is perfect for professional use when installing all types of wood and laminate flooring.
Size: 445mm

Floor Guillotines

Code: WC100

Suitable for laminate flooring up to 8mm
Max width = 210mm

Code: WC600

Suitable for laminate flooring up to 8mm
Max width = 465mm

Code: WC800

Suitable for Laminate up to 11mm
LVT up to 6mm
Max width = 465mm
